12 -08 -2018	NEEM	10	All tree was donated by the voluntaries of this project and all voluntaries also is our member	Tapas Das(Project Leader) Pinto choudhoury Dixcha saha Samim Akhtar & others
	ASHOK	10		
	ARJUN	10		
	MAHUA	5		

- All the member had bought 35 number of trees & loaded on the van & came back.
- Those trees were kept in a garden near RPSSJS office.
- Those plants were planted on 15th August 2018.
- On that day we volunteers were present at RPSSJS office, Samsi .
- The volunteers sorted trees in different packets & loaded in a car at 7:30 a.m. & moved towards Hospital

- All the volunteers reached there at almost 8 a.m.
- The volunteers were divided into small groups and planted 3 saplings.
- After this plantation program all the volunteers came back return to their own house at near about 10 am.
- **MAINTENANCE:** - All the volunteers are taking care of the trees. They check & maintain trees twice in a month.
